Shero's Report

Well, we are nearly at the half way mark already with Christmas nearly upon us, we have had some mixed conditions on the beach already this season, once again our patrolling members have done a fantastic job, and all seem to be embracing the half day patrols. Our *October training camp* for our junior bronze and SRC members was a great success with nearly 30 participants who have helped to fill the short falls on our patrols .

We have all been enjoying the *refurbished member's area* and with the warmer weather we would expect to see all members utilising this fantastic area for those afternoon BBQs.

We again had our *sponsors' evening* in the new bar area which was a great success and a small way of us showing our appreciation to all our club sponsors.

We have another bronze squad in training who should hopefully be complete before Christmas as well as our IRB drivers who have been hard at it training every weekend. A big thankyou to all our trainers who spend most weekends, while we are still in bed, training our latest budding lifesavers.

The new year will bring on the start of an intense *competition* period

leading in to championship events in February and March with the state Championships in Swansea Belmont and the Aussie Championship in Kurrawa, Queensland. Good luck to all our competitors leading into these events and bring back the medals. We have some red hot prospects is our junior representative Jayke Rees who is representing the club in the inter-branch championships in the under 15's. We also have our quiet achiever Holly Dugan in the under 11s who is a red hot chance of a medal in the branch or state championship in the flags after her stellar performance winning the flags at the Manly Junior carnival in November.

Make sure your put in your diaries our *60th Anniversary Celebrations* over the Australia day weekend. Get in early to secure your must have tickets to this memorable event, our gala dinner on the Saturday night. We then have a recovery sippers on the Sunday afternoon on the deck. Tickets will be on sale through the office.

Finally, we have a new administrator in the office, Vickie has decided to pursue other interests within the club after a solid 5year stint as our club administrator. We now have Melissa Enright who has taken over the role. Vickie will be remaining as Club Secretary as her voluntary role bringing in some minor changes with Melissa's role purely as club admin-

istrator and management of the club's facilities .e. member's area and hall hire, and cub administration activities .

All the best for the Christmas period and a safe and happy Christmas to all.

See you on the beach

Cheers

Nippers.....

We are now close to halfway through the season and Warriewood has been a very busy beach with over 350 Nippers registered.

Thank you to all the Age Managers and Beach and Water Managers that have helped things flow smoothly. The Turimetta Tussle was another great contest and well enjoyed by all despite the hotter than usual weather. Congratulations to our Warriewood Warriors who showed great spirit and friendliness to our Nth Narra neighbours, but we were just pipped at the post. We look forward to next year's Tussle. The BBQ after this was a great success and a big

thank you to Roz Newman and Caroline Jollow who did a great job at short notice. This BBQ and all other BBQ's are a great source of fundraising for the Club and we rely on your support of these events. Please ensure you have a look at the Nipper Calendar to know when your age group is rostered to help on the BBQ. This means from helping cook to cleaning up after. For a commitment of probably once per person per season I don't think is asking too much. Remember this is everyone's Club and there to be enjoyed and used by all. All the committee positions are volunteer and we still require help and support by the Nipper parents to make things work for the Club. This also goes for helping the Age Managers. The more help we have the easier it is all round. Ultimately we are all here to see our kids have fun and become more aware and be safe around the surf and beach environment. Do not forget the important dates coming up such as the Carnivals – a handout has been sent through to all parents listed on our emails, the Twilight Xmas Nippers and Presentations dates into next year. For anyone that does not receive the weekly email updates please email the club – w.slsc@bigpond.net.au to be put on our list. Have a Safe and Happy Christmas and New Year - Charlie
