

## Aquaglide

The Aquaglide is a water trampoline with a slippery dip on one side and an inflatable log on the other. The Aquaglide aims to encourage nippers out into the water and grow their confidence in the surf. The Aquaglide will be used at Nippers when Water Safety Managers and Patrol Captains have agreed that surf conditions are appropriate for its use.

Use of the Aquaglide will be managed under a structured protocol.

It is important for parents to recognise that the Aquaglide is a potentially dangerous recreational activity and the club will not be held liable for injury or loss, however caused, resulting from use of the Aquaglide.

Warriewood Surf Club has issued the risk warning under Section 5m of the Civil Liability Act 2002.

If you would like your child to access the Aquaglide, please sign and date below:

I \_\_\_\_\_ accept full responsibility of my child and understand the risks involved in using the Aquaglide.
