Shero's Presidents Report

The start of a new season is looming and the Committees have been in full swing getting everything ready for the start of the surf lifesaving season Saturday 24 September when we recommence patrols.

We have some new faces on the committee, who have brought a new level of enthusiasm to the ranks which is contagious. Please support these committee members in their endeavours to make season 2011-2012 one of our best yet. Check out our Warriewood SLSC Facebook page and web site. We use these mediums for getting the communication out to our members as well as the regular 'Weekly Happening' emails and occasional newsletters. Please ensure that we have your latest email address and contact details so we can make sure everyone is able to take advantage of what the club has to offer this season.

Nippers

Welcome back to a fantastic season ahead! We have a great team of people on the Junior Committee who have been busy organising a fun program throughout the season for all our nippers and families.

Nippers are due back on the sand at 9:45am on Sunday 9th October so time to get the swimmers, sunscreen and club gear out of the cupboard. The swim proficiency is on Sunday 16th October at Terrey Hills Swim School directly after nippers. We are having a nipper parent information night on Tuesday 20th September at 7:30pm in the clubhouse.

Remember to register early to guarantee your child a place in their Age Group. If you have any queries about nippers before registration please contact me via email. Hoping to see you all at Registration.
